TEXT: Essential Calculus – Early Transcendentals, by Stewart, Brooks/Cole 2007  
Linear Algebra for Calculus (supplemental text), by Heuvers et al.

GRADING SCHEME: Quizzes 10%  
4 tests + final test 90%

ATTENDANCE POLICY: Attendance will be checked daily. Each **three** absences not excused according to the University Policy will result in **dropping your final grade** by one letter grade (that is, a grade point).

CHEAT SHEET: At each test you can have a sheet with formulas. The formulas will have to be **hand written on a page specially prepared** by me for the given test. They will become a part of the test, that is, you have to include them when returning the test. I will distribute these specially marked sheets about a week before each test, together with the sample test.

DROPPING TEST SCORES: For each test (regular or final) you will be able to obtain 100 points. The final is worth 1.5\* any mid term test. Anybody that will not request a make-up test (see below for the exceptions) will have the following “dropping-the-worst-score” policy: if your worst score is for one of the regular tests, this score will be dropped, and your final will be worth 1.5\* a value of a regular test; if your worst score is for the final, I will count all regular tests, and the value of that final will be a half of that of a value of a regular test.

**NO MAKE-UPS!** I will not give you any make-ups.<sup>1</sup> If someone will miss a test the score 0 will be dropped according the rule described above.

QUIZZES: There will be a 5-10 minutes quiz each Tuesday. The exercises will be chosen from the homework assignments that are listed in a Departmental part of the syllabus. (As whole exercises, or their parts.) There will be **no make-up quizzes**. No formula sheets of any kind will be allowed on quizzes.

GRADING SCALE: A 90-100%  
B 80-89%  
C 70-79%  
D 60-69%  
F below 60%

FINAL EXAM: The final exam will be comprehensive.

<sup>1</sup>There are some cases in which you have a right to request a make-up test. However, if you choose so, you will lose your “drop-the-worst-score” privilege. In this case, I will count **all the tests**, including make-up test, the remaining regular tests and a final, add their scores (with the maximum possible sum equal to 550) and the result will be prorated. In any rate, the reasons for make-up test must be well documented, and the make-up test will be given during **last week of classes**.
